Skills Classes

Thursdays, March 15th, March 22nd & April 5th
Tuesdays, March 20th, March 27th, and April 3rd
April 10th Make-up Day
Cost: \$5

Recommended for children going to kindergarten or thinking about kindergarten in the fall. Gearing up for kindergarten is a parent & family program that supports child develop, school readiness & healthy parenting. Entering kindergarten is an important transition in the life of a child & his or her parents. Kids need to be ready for school & schools need to be ready for kids. That is why we recommend this educational skills class for parents & kids. Playing, reading & talking are important tools. You are your child's first & most influential teacher and your involvement can make a huge impact on how well your child thrives in school & impacts future success!
